

GLOSSY
MANAGEMENT
PLANS NEVER KILLED
A DOG

**The importance of community and
personal engagement**

COLLABORATIVE PEST MANAGEMENT

- Facilitator?
- One who contributes structure and process to interactions so groups are able to function effectively and make high quality decisions.

A helper and enabler whose goal is to support others as they pursue their objectives

Manage the process and leave the content to the participants

Wongwibinda 2015

- Conflict on many fronts
- Massive predation issues
- Very aggravated landholders
- Mental health
- Many sides to the story
- Stalled Management Plan

The First Meeting

- Wongwibinda Hall
- No National Parks
- The Management Plan
- Version 7 Stalled
- Tears and anguish
- Commitment
- Chandler River and Jeogla

Closing the Gap

- Dorrigo National Parks
- Footprints in the paddock
- Individual issues and public forums
- Ebor and Hernani
- Red Range/Pinkett

The Second Meeting

- Guyra Council Chambers
- Independent Expert
- Meeting had to be called off
- Loss of faith in Parks
- Tears and Anguish
- On tour

Signing the Plan

- Back to Guyra
- Independent Observers
- Agreement
- More Tears
- Wongwibinda AGM
- Jeogla and Chandler River

Management Plans

- Individual group plans
- Certainty of proactive control for 5 years
- Agency ability to budget
- Reactive control strategy
- Nil Tenure
- Signed by all parties

Completed Management Plans

- Atholwood, Ashford, Nullamanna, Emmaville, Pyes Ck, Hernani, Niangala/Nowandoc, Winterbourne/Moonah, Donneybrook, Deepwater, Sandy Flat, Steinbrook, McClouds Creek, Cataract River, Barnard River, Enmore/Blue Nobby, Chandler River, Wongwibinda, Jeogla, Cooney Creek, Tenterdon, Baldersleigh, Yarrowitch, Dundee, Bald Knob, Redrange/Pinkett, Liston, Pretty Gully,
- Walgett

- TBC Management Plans Mt Mackenzie, Kooreelah, Mole River
- TBC New associations Copeton Dam, Puddledock, Rocky Creek

Basic Principles of Onground Management Plans.

- Concise and proactive
- Actions Kill dogs/Reduces predation
- Resolve disputes
- Calendar/Maps
- Key contacts
- Signed

Lessons learnt

- Be genuine
- Commit don't overcommit
- Follow up
- Regional Pest Plans vs Local Plans
- Are farmers a group
- Top down or bottom up

The Human dimension

- If people were rational I wouldn't have a job
- Managing the dog problem has very little to do with dogs
- What does effective management look like?
- Have a plan not a concept
- Communication
- No silver bullets

Take Home Messages

- Have a plan not a concept
- Communicate openly
- Be inclusive
- Put footprints in the paddock
- You can't save dead sheep
- Presented on behalf of team wild dog Northern Tablelands
