

A photograph of two dead deer lying on a green grassy field. One deer is on the left, facing right, with its head slightly raised. The other deer is on the right, facing left, with its head down. A rifle lies on the grass between the two deer, and another rifle is partially visible behind the deer on the right. The text is overlaid on the image in white, bold, sans-serif font.

DEER IN NSW AND AUSTRALIA A WICKED PEST ANIMAL POLICY CHALLENGE

RISQUE DE COLLISION

A photograph of a wire fence in a field of tall, dry grass under a cloudy sky with mountains in the background. The fence is made of wooden posts and wire, with some posts leaning. The grass is golden-brown and overgrown. In the background, there are rolling hills and mountains, some covered in forest, under a heavy, grey sky. The text "The Scottish farmers, villagers and foresters are fed up with them" is overlaid in white on the lower left of the image.

The Scottish farmers, villagers
and foresters are fed up with
them

On our farm at Moonbah in NSW the Fallow deer
come at;

- & Night
- & In the snow;
- & In the dry; and
- & Anytime they want from neighbouring properties
that do not farm commercially.
